

### **Sound Technician**

Location: Laurentian University Students' General Association

Salary: \$14/hr, on an as needed basis

Full/Part Time/Contract: Contract position from September 2018 to April 2019

Reports to: Director of Programming

Desired Start Date: September 4th, 2018

Closing Date: August 20th, 2018

The SGA/AGÉ is looking for a sound technician to work on an as needed basis for sound checks, equipment placement, volume and quality of sound during indoor and outdoor events. In this role, you can expect to work closely with the Director of Programming and VP Student life during events. We require somebody with experience with audio equipment such as mixing boards and speaker systems.

### **Responsibilities**

Your responsibilities will include/but not be limited to:

- Managing audio volume and sound quality at live events
- Set up and take down equipment and perform sound checks
- Record speech, music or other sounds
- Other duties include meeting with producers or performers to determine the desired sound for a performance
- Monitoring equipment for needed repairs and setting up
- Testing recording equipment

### **Assets**

- Detail oriented
- Ability to work with little supervision
- Organized
- Ability to work under pressure
- Highly motivated

To apply please send your cover letter and resume to [sga@laurentian.ca](mailto:sga@laurentian.ca).

*\*Priority will be given to SGA members.*
